

Parks Family Dental

Financial Policies

Thank you for choosing Parks Family Dental. We believe that our extensively trained staff members can provide the highest level of care to our patients using top of the line equipment; therefore, it is essential that our patients are aware of the associated fees and options of payment that are available to them.

Insurance Guidelines:

- As a courtesy, our office will file with your insurance company for treatment provided. If you have insurance, we will collect payment of your estimated portion at the time services are rendered and will accept assignment of benefits from your insurance company. Any remaining balance that exceeds 30 days from the date of service will become the patient's responsibility.
- Our office does not participate with any dental network; therefore, you will be fully responsible for any amount not covered by insurance.
- Some Delta Dental Insurance Policies will not pay the provider directly and full payment must be made before services are rendered. We will still file your claim for you; however, the insurance payment is sent directly to the policy holder.

For patients who are not covered by dental insurance, fees for dental services are due at the time of treatment.

- We gladly accept cash, personal check, or most major credit cards. We also accept CareCredit if financial assistance is needed.
- Return checks will be subject to a \$30.00 returned check fee

Appointment Guidelines:

- Your appointment time is reserved for you. If you are more than 10 minutes late for your reserved time, your appointment may need to be rescheduled to another day.
- If you are unable to keep your appointment or cannot give 24 hours notice for an appointment cancellation, you may be subject to a \$25.00 broken appointment fee.

If you have any questions regarding our financial policy, feel free to discuss any concerns with us.
